KILLING AT FORD CITY

THIS MORNING ABOUT 10 O'CLOCK
ROSCO PURTLE SHOT A MAN
BY THE NAME OF CEILY.

Particulars Could Not Be Obtained
at Time of Going to Press—Purtle
Will Arrive on Evening Train.

Sheriff Smith received a telephone
message about 10 o'clock this morn-
ing from Ford City stating that Ros-
co Purtle had shot and instantly
killed one Ceily and asking him to
come at once. Sheriff Smith, accom-
panied by County Attorney Wimble,
Deputy Goynes, Constable Adare and
Justice Brown left on the 11 o'clock
train for that place.

Sprague Bros. of this city, broth-
ers-in-law of Purtle, received a tele-
phone message about noon today
telling them of the killing, but no
particulars could be had, further
than that Purtle had shot Ceily in the
face killing him instantly and
that he would arrive in Ada on the
5 o'clock train to give himself up to
the authorities.

Purtle is a barber by trade, and
for some time was employed in the
Big 4 Shop of this city, when about
eight months ago he went to Durant
where he remained until three months
ago, going from there to Ford City
where he put in a shop of his own.

He conducted himself in a most
credible way while here, and has
never been in trouble before, and his
friends here are sure that a just
provocation caused him to commit the
awful crime. It is understood that he
will arrive here this afternoon to
put himself in the hands of the of-
ficers. It is also stated that Ceily
was known to be a pretty bad fel-
low, no longer than last week hav-
ing been before the court charged
with selling whisky and it is also
understood that there are now sev-
eral indictments against him for
violations of the law.

Serious Illness of Jim Wintersmith.

Mr. and Mrs. J. M. Wintersmith,
who have been in Louisville, Ky., for
some time for the purpose of secur-
ing skilled medical treatment for
baby Jim, Jr., who suffered a mail-
ignant recurrence of a former ser-
ious illness, regarding their baby
son sufficiently improved, sought to
return home the latter part of last
week, but when they had reached St.
Louis, the child relapsed, and re-
quired a quick return to Louisville.

The friends throughout the city of
the popular Wintersmiths will re-
gret immeasurably the sad trials of
this family.

Notice Sidewalk Men.

Bids will be received till 7 o'clock
Nov. 22, for building concrete side-
walks around the city hall as per
plans and specifications of the city
engineer. W. B. JONES,
3rd City Clerk.

Consistent Friend.

The News old and consistent friend,
for he always keeps more than a
year in advance on News subscrip-
tions, was a pleasant caller at the
editorial sanctum today.

NEGRO THROWS ROCK INTO TRAIN

HOMER NORRIS GETS SIX MONTH
SENTENCE AND \$250 FINE FOR
THROWING ROCK THROUGH
WINDOW OF FRISCO TRAIN.

In the case of Homer Norris, negro,
charged with throwing a rock
through a window of a Frisco train,
which occupied the attention of the
court this morning, the jury returned
a verdict of guilty and fixed the
penalty at six months and a fine of
\$250.

On the 19th of last July as the
south bound Frisco passenger train
was pulling out of the city Norris,
a burly negro, began to hurl rocks
at the train and succeeded in throw-
ing one through a window, the fly-
ing glass cutting a gentleman pas-
senger pretty badly.

The cause of the onslaught is not
known, but it is believed by some
that he "had it in for" the company
and resorted to this method of "get-
ting even."

If that be true he will find it
rather an expensive way to even up,
and his conduct should be a warning
to others who may be inclined to
indulge in such a vicious practice.

The sentence given Norris was a
most lenient one and he has cause to
congratulate himself upon the leni-
ency of the jury before whom he
was tried.

THE MAYOR'S DOUBLE.

What Booze Merchant Across the
Street Favors L. J. Little and
Would Save a Man's Life in
Trouble.

The other day Mayor L. J. Little
had occasion to stop at the corner
of Broadway and Main to view the
progress of certain public undertak-
ings. There was noticed near by a
stranger who appeared to be viewing
the mayor very intently. Finally,
with an expression of conviction, the
stranger approached the chief execu-
tive of the city, remarking, "Say,
mister, you don't remember me per-
haps, but I owe you a quarter. I
didn't intend leaving last spring
without settling with you, for I ap-
preciated the accommodation, I was
in great need when you helped me
out. Here's the quarter," and he
placed in the mayor's hand the shin-
ing piece of a quarter of a dollar.

Mr. Little assured the stranger that
he did not remember him or the ar-
ticle of merchandise for which he was
indebted, but supposing that the quar-
ter had reached the proper owner,
thanked the stranger and proceeded to
the store.

That afternoon when this grocery
merchant longed for a moment on
the walk at the front of his store,
he noticed the stranger of the morn-
ing again looking him over, fairly
scrutinizing him, from various
angles. Finally the stranger approach-
ed and in apologetic manner, said:
"Say, partner I made a mistake this
morning, I did not owe you that quar-
ter, I made a mistake in the man.
The man I thought you to be, did
business across the street, his name
was Richard Doe, and I owed him
for a bottle of beer."

The quarter again changed hands.
Now who is it that sold beer across
the street from Little's grocery, that
favors the mayor?

GETTING BUSY

FOUR HUNDRED ACRES OF LAND
HAS BEEN SECURED NORTH OF
THE CITY ON WHICH TO LO-
CATE RAILROAD SHOPS AND
ERECT FACTORIES.

MASS MEETING FRIDAY NIGHT

Every Man in Ada Is Urged to At-
tend This Meeting and Lend His In-
fluence Toward the Making of a
Greater Ada.

Things are now shaping up until
it begins to look like Ada will have
what she needs to make her one of
the best cities in the state—a number
of industrial enterprises. Our people
are waking up to the fact that if they
secure the establishment of the vari-
ous industries that are seeking lo-
cation that some inducements must
be offered to get them. In the meet-
ing held at the 25,000 club rooms
Monday afternoon, at which a good
number of representative business
men were present, a movement was
inaugurated in which to secure a
large tract of land lying north and
adjacent to the city to be used for
railroad shops and factory sites. At
this meeting a committee composed
of Messrs. Hope, Hayes, Beck, Little,
Ehby, Rinard and Lucas, to negotiate
for the property desired was ap-
pointed. This committee held a meet-
ing at 4 o'clock yesterday afternoon,
at which time the owner of the lands
were present, and satisfactory terms
were made whereby the city be-
comes owner of 400 acres of land.

A meeting to be composed of the
entire citizenship of the city is cal-
led for Friday night, and it is hoped
that every man in Ada will be pres-
ent, for the purpose of organizing an
Industrial company as a holding
corporation. At this meeting matters
pertaining to the establishing of
the railroad shops and factories will

Save Your Money

Where one man gets rich through hazardous spec-
ulation, a hundred get POOR.

Where one man stays poor through the slow
methods of savings, hundreds get RICH.

The wise man chooses the better part and places
his money in a safe, accommodating BANK. This
bank is in position to properly handle all business
entrusted to it, and accords the same courtesy and
welcome to large and small depositor alike.

HARRY PARKS A CONTRACTOR

Right in After a Slice of Municipal
Work—Was Lowest Bidder on
Business District Sewer
Laterals.

The published proceedings of the
council meeting Monday night re-
ported that an Ada man is getting in
line for municipal contract business.
Harry Parks, well known local citi-
zen strongly bidding for the con-
tract on sewer laterals. Mr. Parks
was the lowest bidder to erect the sewer
laterals on Main street, but since
he was some forty dollars over the
engineers estimate, his bid with oth-
ers, as is required by law was ig-
nored and readvertisement ordered.

It is thought that the council would
be far from adverse to the awarding
the contract to a home man, provid-
ed he showed good and was the best
bidder.

Coral Smith Entertains.

Miss Coral Smith entertained a few
of her friends at her beautiful home
in Sunrise last night. Those present
were Misses Sue Williams, Ida Mae
White, Cora Hopper, Bess Herring,
Messrs. Bob White, Orval Middleton,
Fred Bennett, Frank Sturdevant.
All report a pleasant time.

COUGH INSURANCE

REXALL CHERRY JUICE is the
most economical insurance against
coughs you can get. One large
bottle will insure a whole family
against coughs, colds and grippe
for a whole year. Cheap insurance
isn't it. The first dose—just one
teaspoonful will relieve your cough—
four more will stop your cough
and a twenty-five cent bottle will
break up the worst cold you ever
had and we guarantee it like all the
Rexall Remedies in that if you are
not perfectly satisfied all you have
to do is return the bottle and get
your money.

REXALL CHERRY JUICE COUGH
SYRUP is pleasant to take, tart and
tasty and children like it.
Per bottle, 25c., 50c., \$1.00.

lication.

TEACHERS TO MEET

**SOUTH CENTRAL TEACHERS AS-
SOCIATION WILL BE HELD AT
SULPHUR ON FRIDAY AND SAT-
URDAY, NOVEMBER 26-27.**

**A Most Excellent Program Has Been
Prepared—Thirteen Counties In-
vited to Participate in this Organ-
ization.**

At the last meeting of the Old
Chickasaw Teachers' Association an
Executive Committee was appointed
with instructions to canvass the situ-
ation and determine whether or not
the organization should be contin-
ued. This committee has decided that
the association shall be reorganized
under the name of the South Central
Oklahoma Teachers' Association, and
that it shall include additional ter-
ritory. The Executive committee has
invited the following counties to par-
ticipate in the organization: Okmul-
gee, Okfuskee, Seminole, Hughes, Pot-
tawatomie, Pontotoc, Coal, Johnson,
Carter, Love, Murray, McLain and
Garvin.

An additional committee was ap-
pointed by the Executive Committee
to arrange a program for the meet-
ing to be held at Sulphur, Friday and
Saturday following Thanksgiving.
Nearly all the counties named above
have agreed to have their schools
dismissed on these dates, and bring
their teachers with them for the
Sulphur meeting. The committee has
prepared a program that will ap-
peal to every member of the teach-
ing profession, and it is expected that
this will be one of the largest teach-
ers' meetings ever held in the state
of Oklahoma outside of the State
Association.

Following is the program for the
meeting:

1 P. M., Harper Opera House.
Symposium: Certification of Teach-
ers.

(a) Classes and laws regulating the
issuance of each—Prof. Clark
Benson, Tule; Prof. T. D. Under-
wood, Berwyn.

(b) Needed changes in the sys-
tem—County Supt. W. F. Cooper, We-
woka; Prof. F. L. Norton, Roff.
General discussion.

Symposium: State Uniformity of
Text-books.

(a) Advantages—County Supt. T.

F. Pierce, Ada; Supt. J. G. March,
Wapanucka.

(b) Disadvantages—Supt. Scott
Glen, Shawnee; Prof. Geo. Coff-
man, Provencher.

(c) What changes should be made
in the system—Supt. F. F. Mace,
Purcell; Prof. Earl Foster, Castle;
Prof. A. G. Bowles, Francis.

Music—Instrumental and Vocal—
Misses Vera and Ada Cates, Sulphur.
Address, "The Teacher's Commission."
—Supt. Chas. Evans, Ardmore.

Symposium: Consolidation of Schools.

(a) When expedient—Co. Supt.
B. N. Hicks, Holdenville; Co. Supt.
M. H. Caywood, Coalgate.

(b) What steps to take?—Co. Supt.
A. J. French, Purcell; Co. Supt.
Mary Niblack, Ardmore.

Symposium: Problem of Enforcing
the Compulsory School Law.

(a) In cities of first class—Supt.
Thos. Youngblood, Pauls Valley.

(b) In village and rural communi-
ties—Co. Supt. Clarence Robinson,
Shawnee.

Music, Miss Gertrude Case, E. C.
N. S., Ada.

Symposium: Industrial Education.

(a) The scope and purpose of in-
dustrial education—Jas. A. Wilson,
president of Murray State School of
Agriculture, Tishomingo.

(b) Teaching Agriculture in the
rural school—F. H. Umholtz, super-
visor of Indian Schools of Chickasaw
Nation, Ardmore.

(c) Can Manual Training be
taught in the rural schools?—F. W.
Bopp, Teacher of Manual Training,
M. S. S. A., Tishomingo.

(d) What can be done in teaching
Domestic Science in the rural and
village schools—Miss Ruble, E. C. N.
S., Ada; Miss Emma Chandler, M. S.
S. A., Tishomingo.

Music—Instrumental, Miss Lillian
McNeas, Ardmore.

Appointment of committee.

Announcements.

Adjournment.

Evening Session—Friday.

8:00 P. M., Harper Opera House.

Supt. Jno. H. Payne, Tecumseh;
Supt. J. H. Johnston, Tishomingo;
Supt. F. R. Rice, Okemah.

Reports of committees.

Election of officers.

Song, "Okla" by association.

Adjournment.

Fellow Teacher:

We are extending you a personal
invitation to attend the sessions of
the South Central Oklahoma Teach-
ers' Association. Nine hundred and
ninety-nine of your fellow teachers
are coming. May we expect you?

Every home in Sulphur will be
open to visiting teachers, the hotels
will make special rates, there will
be a delightful trip through the Na-
tional Park, an automobile ride, a
football game; in fact Sulphur will
"show you a good time."

The program covers the important
questions of the day—questions in
which you are interested—and you
are invited and urged to participate
in the discussions. The addresses
by Supt. Chas. Evans, Supt. E. G.
Comegys, State Supt. E. D. Cam-
eron, and Pres. Briles of the E. C.
N. S. constitute a rare educational
treat which you can not afford to
miss. These are men who know and

they have a message for you. Excel-
lent music will be rendered by the
best musical talent to be obtained in
this section of the state, and will
alone be worth the trip.

By the terms of your contract,
which provides that you shall receive
your regular salary while in attend-
ance at all teachers' associations, it
is your privilege to attend this meet-
ing. Furthermore, as a progressive
teacher, you will wish to attend in
order that you may "keep in line"
with the educational progress of the
day.

The association needs you and you
need the inspiration and enthusiasm
of the association.

For further information write Essie
Bell, Sulphur or J. Frank Lilly, Tish-
omingo. Executive Committee.

from him today.

CERTAIN RESULTS.

Many an Ada Citizen Knows How

Sure They Are.

Nothing uncertain about the work

of Doan's Kidney Pills in Ada. There

is plenty of positive proof of this in

the testimony of citizens. Such evi-

dence should convince the most skep-

tical doubter. Read the following state-

ment:

M. J. Malone, Jr., 325 W. Sixteenth

St., Ada, Oklahoma says: "The re-

sults obtained from the use of Doan's

Kidney Pills, procured from G. M.

Ramsey's Drug Store, far exceeded

my expectations. For five years I

was a great sufferer from a weak

back and other symptoms of kidney

complaints. The kidney secretions

were usually very unnatural and the

passages were attended by a scalding

sensation. I had sharp, piercing

pains through my loins and there

was a constant ache across the small

of my back and through my hips that

seemed to sap my energy. Since us-

ing Doan's Kidney Pills I have felt

well and my kidneys have been per-

forming their functions properly."

For sale by all dealers. Price 50

cents. Foster-Milburn Co., Buffalo,

New York, sole agents for the United

States.

Remember the name—Doan's—and

take no other.

Kills Her Foe of 20 Years.

"The most merciless enemy I had

for 20 years," declares Mrs. James

Duncan, of Haynesville, Me., "was

dyspepsia. I suffered intensely after

eating or drinking and could scarcely

sleep. After many remedies had failed

and several doctors gave me up, I

tried Electric Bitters, which cured

me completely. Now I can eat any-

thing I am 70 years old and am en-

joyed to get my health and strength

back again." For indigestion, loss of

appetite, kidney trouble, lame back,

female complaints, its unequalled. Only

50c at G. M. Ramsey's.

County Court.

The regular term of county court has been occupied this week on the criminal docket and quite a good deal of routine business has been disposed of. This morning Jim Ellis entered pleas of guilty to selling liquor and was given the lowest penalty, 30 days in jail and \$50 fine. The criminal docket will be taken up again week after next. In the meantime the court will be occupied with minor cases.

The Chapel Exercises.

Rev. Needham, the popular Presbyterian minister, conducted the chapel exercises this morning with a good serviceable speech. His talk of yesterday on "The Foundation of Life" was elaborated this morning into a glorious revelation of light and power to the earnest student. He compared the building of a good firm foundation in the school room to the bottom floor of a business house.

"The bottom floor is better," he said, "because it will (1) hold more people, (2) will rent for more and (3) is easier to reach."

On these three things he built a short theme of grandeur and magnificence. In part, he said life is controlled by the way we start and the preparation, or force with which we are armed.

His concluding remarks were given to suggesting an outline by which students might take the subject "Goose," and make a fine composition. "It is not the subject that one has, but it is being able to place it correctly that shows the educated man," he said, "Education is the Association of Ideas."

Rev. Needham's talk was enjoyed by all, and we hope he may be with us often from now on.

COAL'SBY-PRODUCTS

TAR ONE OF THE MOST VALUABLE IN COKE MAKING.

Splendid Work Done by Chemists in Working Up Useful Substances from This Once Despised "Waste" Material.

Few are familiar with the completeness with which former waste elements of coal are recovered and transformed into valuable products in the manufacture of coke from hard coal. It is not so long ago that gas works were paying to have one of these by-products, then called a waste-product, carted away from the works. This was tar. Not only was no revenue derived from it, but it actually cost money to get rid of it. Now, this tar is one of the most valuable by-products in coke making. From every ton of coal converted into coke about nine gallons of coal tar are produced, and the history of chemistry tells of no more skillful work than was done in working up useful and valuable products from this black, sticky mass.

Over 200 separate substances have been isolated from tar. Of the first importance are anthracene and naphthalene. Anthracene, in a pure state, is a beautiful yellow crystal, and is the starting point for a series of the well-known coal tar dyes. Naphthalene is also the basis of a series of dyes, but is better known in the form of moth-balls. Although coal tar is black, the naphthalene comes out of it as white as snow.

Two other important products obtained from the tar are carbolic and cresylic acids. The uses of these two products as disinfectants and germicides need no description. But there is another use for carbolic acid which is not so generally known, viz., that transforming of it into picric acid by treatment with concentrated nitric acid. This picric acid is the base for deadly "high explosives." And, strangely enough, after you have shot a man to pieces with picric acid, you can allay his pain with the same thing, for picric acid has a place in surgery.

Books have been written on the products obtained from coal tar, but here we can but touch upon the subject, and we may conclude with the mere mention of creosote oil for preserving timber, etc., of pitch for roofs and for roads, of pyridine for denaturing alcohol. We must leave untouched the great number of complex chemicals which are either used themselves or are transformed into other substances in a never-ending cycle.

Besides the tar, every ton of coal made into coke from hard coal produces about 5 1/2 pounds of pure ammonia, which is equivalent to about 22 pounds of ammonium sulphate, a fertilizer of unrivaled merit. This fertilizer is made from the ammonia by combining it with sulphuric acid, or oil of vitriol. Or the ammonia may be converted to the liquid ammonia of the drug stores, or it may finally appear as real liquid ammonia, which is pure ammonia gas liquified by pressure and cold.

Further uses of ammonia are as smelling salts and the carbonate of the baker, which makes possible all the modern dainty confections. The ammonium chloride used in batteries also is derived from the coal which goes to make coke.

Other products of commercial importance derived from the hard coal coke processes are benzol and toluol. From benzol nitro-benzol is made, and from that aniline is made, and from aniline springs a series of dye-stuffs of such importance that millions of dollars are invested in plants for their manufacture. Besides making dyes, benzol and toluol have a multitude of uses. Benzol is the best solvent known for organic compounds, and is used for extracting grease from garbage, in the "degreasing" of hides, in varnishes, shellac, varnish removers; for dissolving rubber, waxes and gums. Toluol in general is used for similar solvent purposes. One important use for benzol is gas enrichment. One per cent. of benzol vapor introduced into ordinary coal gas will increase its luminosity by about 12 candles.

There are many strange things with strange names made from benzol and toluol, and their development during the last century is one of the beacon lights of chemical history.

Jerry and Joe.

Jerry Simpson loved to work off jokes on prominent men who "got after" him. He and Joe Cannon, now speaker, had many lively tilts. One day Jerry made a rip-roaring anti-expansion speech in the house; just the kind that a Populist like Jerry could make.

"Had you made that speech in Manila," said Cannon, getting the floor and leveling his finger at the Kansas congressman, "you would have been tried by a drum-head court-martial and shot."

"Well," replied Jerry, "I would just as leave be shot in Manila for making a speech of that kind as to be shot in congress by an old smooth-bore brass Cannon from Illinois."

That reply tickled Tom Reed so much that he came up to Jerry and said: "That was all right, Jerry, I forgive you a lot of things for that!"—Kansas City Journal.

Not That Way in Life.

"Wives are always so trustful on the stage." "Which shows that realism on the stage is an utter myth."—Louisville Courier Journal.

NEWS OFFICE.

HEALTH HINTS.

By G. T. Howerton,
East Central Normal School.

Improvement must come through knowledge. Awakening means progress. That self-awakening and self-knowledge touch our lives most closely no one will doubt; for an instant. So also we are about agreed that knowledge is of most importance which concerns our every day living. That means physiology, hygiene, sanitation and of necessity a little anatomy of the forms of animal life. And yet we esteem it highly. There is no hesitation in giving three or four years to acquiring a little "dead" Latin, even in the High Schools. Why should we hesitate to spend our time in acquiring knowledge about our daily life. A brand new book on the subject of physiology, hygiene and sanitation lies before me, and I note that the authors say: "The health and efficiency of the human body have rarely, if ever, been more highly esteemed than they are today, and yet no subject of similar importance is so generally neglected in the schools, or when taught, taught less effectively." So say we all who have been looking out a little. Truth is the "schools" rarely give us anything in advance of our demands. They are remarkably "conservative." Curricula are still matters of "fashion" the same as the cut of ones clothes, or the shape of her hat, only, and what is to be regretted, the fashion does not change very often. Still we

have made progress in the last few years, and the signs look good for greater things to be done. What we want to know now is how to make the town a better place to live in, and the home in the town a better home to live in.

ELECTION PROCLAMATION

Whereas on the 1st day of November, 1909, at a regular meeting of the Mayor and Councilmen of the City of Ada, Oklahoma, in the County of Pontotoc and State of Oklahoma, there was duly presented to the mayor and councilmen a petition requesting the mayor of the City of Ada, Oklahoma, to call an Election as provided in Section 5 B. of Article 18, of the Constitution of the State of Oklahoma; which said petition is in words and figures as follows:

Initiative petition for referendum vote on granting a franchise to Ada Oil & Gas Company.

We, the undersigned qualified electors of the Municipal Corporation of the City of Ada, Oklahoma, being more than twenty-five per cent of the electors of said City, as shown by the votes cast at the last general Municipal Election held therein, hereby demand that a franchise be granted the Ada Oil & Gas Company, a private corporation for the term of twenty-five years authorizing said Company to excavate along and across the streets and alleys of said City and to lay pipes therein and to furnish gas to said City of Ada and its inhabitants and to collect tolls therefor under the terms and conditions of a franchise to be submitted to the electors of said City at a special election to be called by you for that purpose as provided in Section 5 B. of Article 18 of the Constitution of the State of Oklahoma.)

And whereas it appears that petitioners have in all things complied with the law; and whereas it appears that the mayor of said City of Ada, Oklahoma, is authorized to call a special election to be held on the 17 day of December, 1909 for the purpose of submitting to the qualified electors of said City the question of the approval or disapproval of the franchise to the Ada Oil and Gas Company, a private corporation, by the mayor and city councilmen of the city of Ada, Oklahoma, which said franchise is in words and figures as follows, to-wit:

Ordinance No. An Ordinance Granting to the Ada Oil and Gas Company, a Corporation, the Right to Acquire, Construct, Maintain and Operate a system of Works in the City of Ada, State of Oklahoma, for the purpose of Distributing and Selling Natural Gas and Manufactured Gas in said City and the Inhabitants thereof.

Be it ordained by the people of the City of Ada, State of Oklahoma:

Section 1. The word "City" as hereinafter used shall designate the City of Ada, Pontotoc County, Oklahoma, and the word "Grantee" as hereinafter used shall designate the Ada Oil & Gas Company, a corporation organized under the laws of Oklahoma.

Section 2. During the term of twenty-five (25) years from and after the passage, approval, publication and ratification as provided by law, amount of money equal to the estimated service of one and one-half

vided, of this ordinance, the said Grantee is hereby empowered to acquire, construct, maintain and operate a system of works in the said City, for the purpose of manufacturing or distributing and selling to said city and inhabitants thereof, artificial and natural gas and for such purpose said Grantee shall have the right to enter upon and lay its mains and pipes through and in the streets, avenues, alleys and public places of said City, provided however, that said Grantee shall in all cases save the city harmless by reason thereof and shall restore all said streets, avenues, alleys and public places to their original condition as speedily as possible at the expense of Grantee.

Section 3. During the life of this franchise said Grantee shall have the right to charge said city and inhabitants thereof the following rates for natural gas furnished:

If said natural gas is piped not to exceed five miles from intersection of Broadway and Main Streets, in said City, the sum of twenty-seven and one-half (27 1-2) cents per one thousand (1000) cubic feet; ten miles, thirty-two and one-half (32 1-2) cents; forty miles, forty-two and one-half (42 1-2) cents; and Grantee in every case where the consumer's bill is less than One Dollar and Ten Cents (\$1.10) per month may charge a minimum rate of One Dollar and Ten Cents (\$1.10) per month for each meter connected.

Section 4. Should the supply of natural gas available to the Grantee fail during the life of this franchise, thereafter said Grantee shall have the right to furnish to said City and inhabitants thereof artificial gas, and shall have the right to charge therefor not to exceed One Dollar and Forty Cents (\$1.40) per one thousand (1000) cubic feet.

Section 5. All bills shall be due and payable at the office of said Grantee on or before the tenth day of each month next following that in which the gas is used and if paid on or before said tenth day a discount of two and one-half cents (2 1-2) per thousand cubic feet shall be granted on said bills so paid, and upon failure of any consumer to pay any bill on or before the fifteenth of said month, the Grantee may discontinue the service of such consumer and said Grantee shall not be required to furnish service to any such consumer until said consumer has first paid all indebtedness and in addition thereto a sum not exceeding One Dollar (\$1.00) as a charge for reconnecting said consumer.

Section 6. No deposit for meter or meters shall be required or exacted, except for the protection of Grantee from financial loss and as security for the payment of bills for service rendered, Grantee may require and the consumer shall, if Grantee demands, deposit with it, for which it shall issue a receipt, a sum or amount of money equal to the estimated service of one and one-half

months, upon which Grantee shall pay to such consumer annually interest at 5 per cent. per annum. And at the time service is discontinued the deposit less any moneys the consumer may owe to the Grantee at that time shall be immediately returned to the consumer.

Section 7. The Grantee shall have the right to assign to any other person, firm or corporation, the rights and obligations of this franchise, and any assignee thereof, by accepting said assignment, shall become bound thereby, but in the event of an assignment, said assignment shall be in writing and a duly authenticated copy thereof shall be filed with the City Clerk of said City.

Section 8. The franchise herein granted shall not be operative until it is ratified as provided by the laws of the State of Oklahoma, by the qualified voters of the city of Ada, State of Oklahoma, and if the franchise shall fail of ratification by the voters of said city, no rights shall accrue thereunder.

Section 9.—A special election is hereby called for the approval of this franchise by the qualified voters residing within the corporate limits of said city, which shall be held on the 16th day of November, 1909, between the hours of six o'clock A. M. and seven o'clock P. M. and the proper officers of said city are hereby directed to give notice of said election and take all the steps necessary to hold the same as provided by the laws of Oklahoma.

Section 10. Within fifteen days after the adoption and ratification of this ordinance, the said Ada Oil & Gas Company, its successors or assigns, shall file with the clerk of said city, a written acceptance of this ordinance and upon failure to file such acceptance, then this ordinance shall not become operative or vest any rights, privileges or franchise whatsoever.

Section 11. This ordinance shall be in full force and effect from and after its passage, approval, publication and ratification, as provided by law, and upon its acceptance in writing as herein provided, and it is further provided that unless gas is supplied under this franchise within three years from the date of the passage thereof then this ordinance shall be and become null and void.

Section 12. The Mayor and Council and their successors shall at all times have power to impose all needful and reasonable regulations for the protection of the interest of the inhabitants of said city, and among other things shall have the power after full hearing to require extensions of services where it can be done without financial loss to the Grantee.

Section 13. Should natural gas be distributed under the terms of this franchise, the Grantee agrees to furnish gas to the offices of said city, located in the City Hall at the corner of Broadway and 12th street, free of charge, for lighting and heating purposes, and if said artificial gas should be distributed under this franchise, then said artificial gas shall be furnished said city offices for lighting purposes only.

Section 14. A failure on the part of the Grantee to comply with the provisions of this ordinance will work a forfeiture of their franchise.

Passed and approved this 4th day of October, 1909.

Now therefore by virtue of the authority vested in me by the Constitution and laws of the State of Oklahoma, and pursuant to said petition, I hereby proclaim and give public notice that a special election is hereby called to be held in said City of Ada, Oklahoma on the 17th day of December, 1909, for the purpose of submitting to the qualified electors residing within the corporate limits of said city the following proposition to-wit:

Shall a franchise be granted the Ada Oil and Gas company in words and figures as follows:

Ordinance No. An Ordinance Granting to the Ada Oil & Gas Company, a Corporation, the Right to Acquire, Construct, Maintain and Operate a system of Works in the City of Ada, State of Oklahoma, for the purpose of Distributing and Selling Natural Gas and Manufactured Gas in said City and the Inhabitants thereof.

Be It Ordained by the People of the City of Ada, State of Oklahoma:

Section 1. The word "City" as hereinafter used shall designate the City of Ada, Pontotoc County, Oklahoma, and the word "Grantee" as hereinafter used shall designate the Ada Oil & Gas Company, a corporation organized under the laws of Oklahoma.

Section 2. During the term of twenty-five (25) years from and after the passage, approval, publication and ratification as provided by law, and upon acceptance as herein provided, of this ordinance, the said Grantee is hereby empowered to acquire, construct, maintain and operate a system of works in the said city, for the purpose of manufacturing or distributing and sell to said city and inhabitants thereof, artificial and natural gas and for such purpose said Grantee shall have the right to enter upon and lay its mains and pipes through and in the streets, avenues, alleys and public places of said City, provided however, that said Grantee shall in all cases save the city harmless by reason thereof and shall restore all said streets, avenues, alleys and public places to their original condition as speedily as possible at the expense of Grantee.

Section 3. During the life of this franchise said Grantee shall have the right to charge said city and inhabitants thereof the following rates for natural gas furnished:

If said natural gas is piped not to exceed five miles from intersection of Broadway and Main Streets, in said City, the sum of twenty-seven and one-half (27 1-2) cents per one thousand (1000) cubic feet; ten miles, thirty-two and one-half (32 1-2) cents; forty miles, forty-two and one-half (42 1-2) cents; and Grantee in every case where the consumer's bill is less than One Dollar and Ten Cents (\$1.10) per month may charge a minimum rate of One Dollar and Ten Cents (\$1.10) per month for each meter connected.

ter upon and lay its mains and pipes through and in the streets, avenues, alleys and public places of said city, provided however, that said Grantee shall in all cases save the city harmless by reason thereof and shall restore all said streets, avenues, alleys and public places to their original condition as speedily as possible at the expense of Grantee.

Section 3. During the life of this franchise said Grantee shall have the right to charge said city and inhabitants thereof the following rates for natural gas furnished: If said natural gas is piped not to exceed five miles from intersection of Broadway and Main streets, in said City, the sum of twenty-seven and one-half (27 1-2) cents per one thousand (1000) cubic feet; ten miles, thirty-two and one-half (32 1-2) cents; twenty miles, thirty-seven and one-half (37 1-2) cents; forty miles, forty-two and one-half (42 1-2) cents; and said Grantee in every case where the consumer's bill is less than One Dollar and Ten Cents (\$1.10) per month may charge a minimum rate of One Dollar and Ten Cents (\$1.10) per month for each meter connected.

Section 4. Should the supply of natural gas available to the Grantee fail during the life of this franchise, thereafter said Grantee shall have the right to furnish to said city and inhabitants thereof artificial gas, and shall have the right to charge therefor not to exceed One Dollar and Forty Cents (\$1.40) per one thousand (1000) cubic feet.

Section 5. All bills shall be due and payable at the office of said Grantee on or before the tenth day of each month next following that in which the gas is used and if paid on or before said tenth day a discount of two and one-half cents (2 1-2) per thousand cubic feet shall be granted on said bills so paid, and upon failure of any consumer to pay any bill on or before the fifteenth of said month, the Grantee may discontinue the service of such consumer and said Grantee shall not be required to furnish service to any such consumer until said consumer has first paid all indebtedness and in addition thereto a sum not exceeding One Dollar (\$1.00) as a charge for reconnecting said consumer.

Section 6. No deposit for meter or meters shall be required or exacted, except for the protection of Grantee from financial loss and as security for the payment of bills for service rendered, Grantee may require and the consumer shall, if Grantee demands, deposit with it, for which it shall issue a receipt, a sum or amount of money equal to the estimated service of one and one-half months, upon which Grantee shall pay to such consumer annually interest at 5 per cent. per annum. And at the time service is discontinued the deposit less any moneys the consumer may owe to the Grantee at that time shall be immediately returned to the consumer.

Section 7. The Grantee shall have the right to assign to any other person, firm or corporation the rights and obligations of this franchise, and any assignee thereof, by accepting said assignment, shall become bound thereby, but in the event of an assignment, said assignment shall be in writing and a duly authenticated copy thereof shall be filed with the City Clerk of said City.

Section 8. The franchise herein granted shall not be operative until it is ratified as provided by the laws of the State of Oklahoma, by the qualified voters of the city of Ada, State of Oklahoma, and if the franchise shall fail of ratification by the voters of said city, no rights shall accrue thereunder.

Section 9. A special election is hereby called for the approval of this franchise by the qualified voters residing within the corporate limits of said city, which shall be held on the 17th day of December, 1909, between the hours of six o'clock A. M. and seven o'clock P. M. and the proper officers of said city are hereby directed to give notice of said election and take all the steps necessary to hold the same as provided by the laws of Oklahoma.

Section 10. Within fifteen days after the adoption and ratification of this ordinance, the said Ada Oil & Gas Company, its successors or assigns, shall file with the Clerk of said City, a written acceptance of this ordinance and upon failure to file such acceptance, then this ordinance shall not become operative or vest any rights, privileges or franchise whatsoever.

Section 11. This ordinance shall be in full force and effect from and after its passage, approval, publication and ratification, as provided by law, and upon its acceptance in writing as herein provided, and it is further provided that unless gas is supplied under this franchise within three years from the date of passage thereof then this ordinance shall be and become null and void.

Section 12. The Mayor and Council and their successors shall at all times have power to impose all needful and reasonable regulations for the protection of the interest of the inhabitants of said city, and among other

things shall have the power after full hearing to require extensions of services where it can be done without financial loss to the Grantee.

Section 13. Should natural gas be distributed under the terms of this franchise, the Grantee agrees to furnish gas to the offices of said city, located in the City Hall at the corner of Broadway and 12th streets, free of charge, for lighting and heating purposes, and if artificial gas should be distributed under this franchise, then said artificial gas shall be furnished said city offices for lighting purposes only.

Section 14. A failure on the part of the Grantee to comply with the provisions of this ordinance will work a forfeiture of their franchise.

Passed and approved this 4th day of October, 1909.

Said proposition as above set forth will be placed on the ballot to be used at said election, and will state the proposition and question to be voted upon at said election.

Said election will be held at places to be located as follows to-wit:

First ward in the City of Ada, Oklahoma, at City Hall on Corner 12th street and Broadway Ave.

Second Ward in the City of Ada, Oklahoma, at C. E. Daggs tin shop on Broadway Ave.

Third Ward, in the City of Ada, Oklahoma, at County Court Room on Cor. Townsend Ave. and Main St.

Fourth Ward, in the City of Ada, Oklahoma, at office of Ada Title & Trust Co., on Townsend street.

The following named judges and clerks for each of the said polling places are hereby appointed to conduct said election to-wit:

First Ward, in the City of Ada, Oklahoma, J. T. Higgins and J. T. Conn, Judges and Jno. W. Beard and W. H. Rayburn, Clerks.

Second Ward, in the City of Ada, Oklahoma, J. W. Davis, C. S. Aldrich, Judges and Chas. T. Barney and H. T. Young, Clerks.

Third Ward, in the City of Ada, Oklahoma, A. J. Deaton and John Stewart, Judges and J. C. Chapman and J. C. Jordan, Clerks.

Fourth Ward, in the City of Ada, Oklahoma, G. W. Thompson and W. M. Edmiston, Judges, and J. M. McCarty and G. P. Carney, Clerks.

The ballot to be used at said election shall be in the following form proposition shall the Franchise be granted the Ada Oil & Gas Company as follows:

He is directed to place X in the ☐ opposite the word yes if he approves, or in the ☐ opposite the word no if he disapproves the granting of the Franchise motion in the foregoing proposition.

The poles at said election shall be opened at the hour of 6 o'clock in the forenoon of said day and closed at the hour of 7 o'clock in the afternoon.

The result of said election shall be returned and pursuant to the laws of the State of Oklahoma, in such cases made and provided.

Given under my hand and seal of the City of Ada, Oklahoma, this 17th day of November, 1909.

L. J. LITTLE, Mayor.

Attest: W. B. Jones, City Clerk.

Get Your Shade Trees Now. If you expect to put out shade trees this fall now is the time and Charley Ray is the man to do the work. See him at once, at East 15th street, Ada, Okla. 2w
